Subject: J-Rock 09-24-09 Job Well Done

Garth,

I would like to commend J-Rock on a job well done at the HealthSouth 15 Bed Addition in Glendale, AZ. It is rare to find a contractor that truly cares about their work and takes pride in it. Your foremen (Dennis for framing/hanging and Dave for finishing) have both done an outstanding job. I look forward to working with your team again in the future.

Thanks,

Adam Inzina
